

Blank Space

(Taylor Swift)

(C) Nice to meet you where you been

I can show you incredible **(Am)** things

Magic, madness, heaven sin

Saw you there and I thought

(F) Oh my God, look at that face

You look like my next mistake

(G) Love's a game, want to plaaaaay?

(C) New money, suit and tie

I can read you like a maga**(Am)**zine

Ain't it funny rumors fly

And I know you heard about

(F) Me so hey, lets be friends

I'm dying to see how this one ends

(G) Grab your passport and my hand

(F) I can make the bad guys **(G)** good for a weekend

(C) So it's gonna be forever or it's

gonna go down in **(Am)** flames

You can tell me when it's over mmm

If the high was worth the pain **(Dm)**

Got a long list of ex-lovers

They'll tell you I'm insane

(F) Cause you know I love the players

and you **(C)** love the game

(C) Cause we're young and we're reckless

We'll take this way too far **(Am)**

It'll leave you breathless, mmm

Or with a nasty scar

(Dm) Got a long list of ex-lovers

They'll tell you I'm insane

(F) But I got a blank space baby

and I'll write your **(C)** name

(C) Cherry lips, crystal skies

I could show you incredible **(Am)** things

Stolen kisses, pretty lies

You're the king baby I'm your **(F)** queen

Find out what you want

Be that girl for a month

(G) Wait the worst is yet to come, oh no

(C) Screaming crying perfect storms

I can make all the tables **(Am)** turn

Rose garden filled with thorns

Keep you second guessing

(F) Like "Oh my God who is she?"

I get drunk on jealousy

(G) But you'll come back each time you leave

Cause darlin' I'm a nightmare, dressed like a
daydream

(C) So it's gonna be forever ...

[Bridge]

(C) Boys only want love if it's torture

Don't say I didn't, say I didn't warn you

(C) Boys only want love if it's torture

(C) Don't say I didn't, say I didn't warn you

(C) So it's gonna be forever ...
