

# Cover Me In Sunshine by Pink

I've been dreaming of friendly faces  
I've got so much time to kill  
Just imagine people laughing  
I know some day we will  
And even if it's far away  
Get me through another day

**Cover me in sunshine**

**Shower me with good times**

**Tell me that the world's been spinning since the beginning**

**And everything will be alright**

**Cover me in sunshine**

From a distance all these mountains  
Are just some tiny hills  
Wildflowers, they keep living  
While they're just standing still  
I've been missing yesterday  
But what if there's a better place?

**Cover me in sunshine**

**Shower me with good times**

**Tell me that the world's been spinning since the beginning**

**And everything will be alright**

(Sing chorus x3)

**Cover me in sunshine**
