

Graduation Song (Friends Forever)

1. And so we talked all night about the rest of our lives
Where we're gonna be when we turn 25
I keep thinking times will never change
Keep on thinking things will always be the same (Same)

2. But when we leave this year, we won't be coming back
No more hanging out 'cause we're on a different track
And if you got something that you need to say
You better say it right now
'Cause you don't have another day

3. 'Cause we're moving on, and we can't slow down
These memories are playing like a film without sound
And I keep thinking of that night in June
I didn't know much of love, but it came too soon (Too soon)

4. And there was me and you, and then it got real blue
Stay at home talkin' on the telephone
And we would get so excited, and we'd get so scared
Laughing at ourselves thinking life's not fair
And this is how it feels

**As we go on, we remember
All the times we had together
And as our lives change, come whatever
We will still be friends forever**

5. So if we get the big jobs, and we make the big money
When we look back now, will that joke still be funny?
Will we still remember everything we learned in school?
Still be trying to break every single rule

6. Will little brainy Bobby be the stockbroker man?
Can Heather find a job that won't interfere with her tan?
I keep, keep thinking that it's not goodbye
Keep on thinking it's a time to fly (Ooh ooh ooh)
And this is how it feels

**As we go on, we remember
All the times we had together
And as our lives change, come whatever
We will still be friends forever**

La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la, la, la
Yeah, yeah, yeah
La, la, la, la, la, la, la, la, la, la
