STAND BY ME by Ben E. King

```
        C                       Am
When the night has come and the land is dark
        F           G7          C
And the moon is the only light we'll see
        C                   Am
No, I won't be afraid, no, I won't be afraid
            F           G7        C
Just as long as you stand, stand by me
```

```
    C
So darlin', darlin',
  C               Am
stand by me, oh, stand by me
      F           G7
Oh, stand, stand by me,
        C
stand by me
```

```
        C                           Am
If the sky that we look upon should tumble and fall
            F               G7          C
Or the mountains should crumble to the sea
            C                   Am
I won't cry, I won't cry, no I won't shed a tear
            C       G7          C
Just as long as you stand, stand by me
```
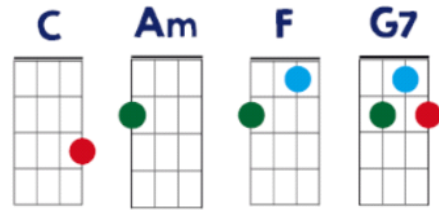

```
      C
And darlin', darlin',
  C               Am
stand by me, oh, stand by me
      F           G7
Oh, stand, stand by me,
        C
stand by me
```

(instrumental C Am F G7 C x2)

```
      C
And darlin', darlin',
  C               Am
stand by me, oh, stand by me
        F           G7
Oh, stand, stand by me,
          C
stand by me
          C
Whenever you're in trouble won't you
  C               Am
stand by me, oh, stand by me
                F               G7
Won't you stand, won't you stand,
    C
stand by me
```
